

Talens Art Creation acrylic colours are versatile paints based on 100% acrylic resin. These acrylic paints have a smooth consistency, dry quickly and are waterproof when dry. Use the colours straight from the tube or thinned with water. The colours are easy to use due to their dosing caps and mix well with each other.

The Talens Art Creation acrylic paint range consists of a total of 74 colours. All of these colours are available separately in tubes of 75 ml and 200 ml and 38 colours in jars of 750 ml. Talens Art Creation also offers various sets ranging from basic colour selections to a complete starter kit that contains everything you need to get started on your acrylic painting journey!

Discover your artistic abilities with Talens Art Creation acrylic paint. Every start is difficult, certainly when it comes to making your own paintings. Don't make it too hard for yourself, just pick up a brush and explore the possibilities! All you need is an idea and the right materials to work with.

Good luck!

Acrylic paint can be used on various surfaces, as long as they are free of dust and grease and slightly absorbent. Suitable grounds for acrylic paints of course include canvas and paper, but plaster, wood, stone and concrete are also great options.

Besides acrylic paint, Talens Art Creation offers various other types of paints, pastels, pencils, and supporting materials such as brushes, easels and grounds. Talens Art Creation also developed a complete assortment of hobby products. This line of paints has been specially developed for home décor applications and other creative projects. The range includes Indoor/Outdoor, Vintage Chalk, Metallic, Effect Liner, Glass & Porcelain, Textile and many others.
